Recommended Motion:

THAT Council of the Township of North Glengarry authorizes the Mayor and CAO/Clerk to execute the Municipal & First Nations Automotive Materials Services Agreement.

Under Ontario's new Hazardous and Special Products (HSP) Regulation, AMS is required to revise the current agreements with producers and service providers to ensure compliance.

The agreement is the first of several to be brought forward as the transition to PRO progresses.

Alternatives:

None

Financial Implications:

The Township collects minimal amounts of this type of material during the waste event so there are no significant financial implications.
